Auntie sweet baby,I will miss you more than words can ever say. You brought so much light, laughter, and love into all of our worlds in just two short years. Every little giggle, every hug, every moment with you was a gift I'll hold in my heart forever.You were a ray of sunshine, Yomi's little shadow, and your mom's favorite reason to smile. I hope you're running free, playing with the angels. Rest peacefully auntie stinka butt.
