To KiKi and Family! Words alone cannot begin to express the pain of losing a loved one, especially a matriarch of the family. I know and understand that even when we understand that they are with the Lord, no more pain and suffering, the emptiness of seeing them, speaking to them, loving on them, is still felt. Please know that my prayers are with all of you. I wish I could be there to comfort and give you all a hug. Love you cuz! God's arms are always available to comfort you and your family.
