Sending condolences, love, hugs and prayers to the family. Bettye was a wonderful lady. When I lived in Raleigh we had a standing dinner date every Thursday at 7 pm at Ruby Tuesday's. We would eat and enjoy each other's company for as long as we wanted to stay. All the employees treated Bettye like family as she was having dinner there a long time even before we ever connected. I didn't know any one except my son when I moved to Raleigh but because I was connected to Bettye my relocating was so much easier. Take your rest my friend. It's time to receive your reward.
