Kenny B is what we call him (aka) Smallworld to separate him from Kenny K. Both of them together you got a very special moment because them guys can put some miles down between them and Goldsboro. He can be here at the moment and in Charleston SC the next pulling that steel. He let me put the Slogan I SEE YOU LOOKING underneath his sleeper windows. On his first truck. Kenny will truly be missed it's a tragedy to loose a good friend here on earth but our Lord and savior makes no mistakes. Breaker Breaker 19 we love and going to miss a great friend Smallworld keepem laughing bro. T-Money
