With heartfelt sympathy, Although we never had the honor of meeting your grandmother, the way you spoke about her made it clear she was a woman who loved deeply and was loved even more. May her legacy of strength, love, and warmth continue to live through each of you. To Tonia mother, please accept our sincerest condolences. We're keeping you and your family in our thoughts and prayers during this time of loss. And to my dear friend Tonia, when you return to Korea, remember that while you have your husband and children, you also have a friend who's just a phone call away. You are not alone, and we're here for you always. With love, comfort, and peace, Tyra, Tiffany, and Family
