I am devastated to find out about Kee Kee's passing. I met Kee Kee when she was dropping her niece off in my classroom. She was an amazing auntie. So much so, a year later, she became the caregiver for my youngest daughter, KeKe. Kee Kee and Grandma Pearl took care of my daughter and became just like family. I am so thankful for having such an amazing person be in my life and my child's life.

Ke Ke was my neighbor a few years ago and she was a nice young lady. She was a good mother to her daughter she cherished. Skylar, always remember how much your mother loved you, be a good girl us the high intellect level your mother instilled in you. Man, Ke Ke loved you very much as a big brother and appreciated everything you did for her and Skylar. Mr. Newsome, Ke Ke had alot of respect for you because of the love you gave her and Skylar. Family be of good cheer, Ke Ke is at peace taking her rest. Remember all the good and happy times with your precious love one.
