Aunt PUDDING!!! I know you were tired. I know that life wasn't any easier for you than the rest of us but I will never forget you. The times you fussed at me and falecial knowing you were going to say yes to what we asked for. Oh, how I loved walking into your house. Eating your food and hearing your voice. I don't have not ONE bad memory of the times we all shared and If I did, it wouldn't over shadow the compassion you held for your grandchildren, great grandchildren, and your neighbor. Rest in paradise with "Tom Bom". You truly have earned your wings.

I will miss my call this year on December 13th. You never missed. I will miss calling you on December 15th, a call I knew I better not miss! I love cooking because of you, all that you taught me. You stayed with our family until I graduated from high school. Rest peacefully my dear friend.

Memories only last if you share them
