Rest in peace my friend. I will never forget the good times we shared as friends growing up together. I am so thankful we got a chance to see each other again in October. We really had a good time eating, talking and catching up on our childhood memories. You will truly be missed 🌹

This is unbelievable Johanna and I were classmates and graduated in 1984 from North Duplin. While in school from kindergarten to graduation we had a great time in school together. To her family, I am so very sorry for your loss. My thoughts are with you during this difficult time. #NDHS84Karen Davis Wright
