So many memories...😁 Last memory was when I thought I won the lottery and Tommy and Shirley was at my aunt Jean's with mom and Gwen and Bruce (all gone). I did the happy dance and they planned how much I was gonna share with them!😂😂 I had the numbers but the wrong day!! Every time since then, when I saw Tommy and I would laugh so hard we cried when he asked, "did you hit any numbers?" I will cherish those precious memories that made me laugh til I cry! Family, please cherish your precious memories.
