My condolences to her son and family. Ms. Patricia "Beautiful " is what I called her. Held a special place in my heart. I loved going to work, just see that beautiful smile, turn on the music, and hear about her son that she was BEYOND proud of! You told me you were going home Beautiful, so I cannot cry.. I'll continue to look up and there I know I'll find YOU and that Beautiful smile..

Grandma I love you more than words can ever express!!! You just don't know how much you FREED me in 2022 when you told me the TRUTH about my identity and who I really belong to which is April!!! You taught me sooooo much within the last few years except how to live without you!!! I look just like you!! I act just like you and God knows I'm going to miss braiding your hair and getting all your favorite snacks you like!! I feel sooooo SELFISH every time I question why did you leave me because I KNOW you were tired of fighting alone!! I know your parents, Uncle Donald, Uncle Billy and Missy welcomed you with open arms because you used to talk about missing them too!! Who's going to fry me some good spots and sea mullets now my love?! 😭❤️😭👉 Continue watching over me and my babies God knows this news of your passing is going to break them!! I'm trying to stay STRONG for you and make sure our JUSTICE comes!! Long Live my Queen!!! My beautiful Grandmother the most AMAZING AIR FORCE VETERAN I'VE EVER SEEN!!! 📺📺📺

Sleep well Aunt Pat. I am going to miss you so much and I'm very thankful for everything you have done for me and your great nieces. I am always going to cherish the memories that you taught me, April and Wiyet(Boo) how to play Bingo at St. Mary and American Legion. I am going to miss you in the kitchen frying the most delicious fish and eating all of the crab we want and etc. I want to also thank you for the beautiful bond you had with your baby sister my mom Cordelia. Even though both of y'all might been going through some things in life but you both were there for one another. And both of yall took good care of Grandma Dot and Grandpa Spunk too. I just know u fought a great fight and God knew u were tired and you just keep on watching over us and I love you so much. I am going to play ur 3 favorite songs too. I'm also going to miss ur store runs too

Farewell my Sister Friend. This is a hard one. I will forever remember all the good times eating crabs. Cadelia cooked good crab and would get missing in action with her big bowl of crabs eating in the living room. Just thinking of all the good times we all had. Sleep in Jesus Pat. Love you my Sister Friend.

I remember when my family and I use to live next door to them. She was older than me and her brother Donald Ray. She was always watching us play. She heard me scream and run. Donald Ray threw a green snake on me! She told me to get him and that I did! She laughed and said to him I bet you won't do that again. RIP PAT! ❤️
